a righting Marderer's Confession.

Pittraumo, July 20. Austro-Hungary Consul Mag Schamberg, in Pittaburg, has received from the courte of Fragus the confession of Carl Smetena, a Bohemian, now in prison to Prague for robbery. Smetena, new on his death bed, confessed that be had murdered a man named John Wolkoust, in Pennsylvania, in 1860; that he robbed him of \$210, with which he secaped from the country. The confession also states that a Pelander named Oltanski was convicted for this crime and is now serving a ten years sentence, although he is innocant. The Budenian authorities are investigating. The confessed mur, derer worlded in the Pennsylvania cake regions and in Allegheny City in 1860.
